Untold Agony from Catarrh.

Prof. W. HAGGNER, the famous member of the
Senate, N. Y., writes: "Seventeen years ago I
suffered from Catarrh, and for one year
my family physician gave me up as
desperate, and I must die. My case was
such a bad one, and every day, towards sunset,
my voice would break, so hoarse, I could
hardly speak, my tongue was swollen, and
a coughing and clearing of the throat would
almost strangle me. By the use of Dr. Sage's
Catarrh Remedy, in three months, I was a well
man, and the cure has been permanent."

Constantly Hawking and Spitting.

THOMAS J. RUSING, Esq., 2202 Pine Street,
St. Louis, Mo., writes: "I was a great sufferer
from catarrh for three years. At times I could
hardly breathe, and was constantly hawking
and spitting, and for a long time I could
not sleep through the night. I thought
nothing could be done for me. Luckily, I was
advised to try Dr. Sage's Catarrh Remedy, and
I am now a well man, and consider it to be the
only safe remedy for internal hay fever
now known, and one hardly to give it a fair trial to
experience astounding results and a permanent
cure."

A complete Treatise on Catarrh, giving valuable
hints as to clothing, diet and other matters
of importance, will be mailed, postpaid to any
address, on receipt of a two-cent postage stamp.
